## H.O.G. Chapter Members Spotlight...

### JON AMETER

My name is Jon Ameter.

I live in Rosemount with my girlfriend Kelly, and my Pot bellied big Harley. I've been riding Harleys since 2003. My first bike was a 2000 Sportster 1200 custom. Now, I enjoy riding my 2002 Softail Nightrain. In my free time, I like to go horseback riding with my girlfriend. I also enjoy spending time flying small airplanes with my uncle. Obviously, riding my bike is something I love too.

You can find me spending most of my time helping customers in the parts department of TCHD. Although, I would also enjoy assisting you with the purchase of a new Harley-Davidson in the sales department. You may also see me picking up your bike if you need service work. I would be happy to help you with almost anything you may need here at Twin Cities Harley-Davidson.
